For a good life in the Outer East

Version 3 . January 2020

# ABOUT CHAOS

There are thirty community Houses in the Community Houses Association of the Outer Eastern Suburbs. From Whitehorse to Yarra Ranges they exist in most communities as a place for learning, support and recreation. The events in this brochure are just the free and low cost offerings at each House. Why not check their websites for more information or email CHAOS – chaos000@bigpond.com.au.

*Please contact the Community House prior to attending to ensure that there are places or to make sure that the activity has not been postponed. Please note that some Houses charge a small annual membership fee to access their programs\*.*

**I have made new friends and am very happy to be part of such a friendly group.**
